UTSA Libraries Web Resources
- Scholarly Resources Guide  http://libguides.utsa.edu/ScholarlyResources
- Dietetics, Nutrition, and Health Research Guide  http://libguides.utsa.edu/DNH
- NDT 3413 Research Guide  http://libguides.utsa.edu/NDT3413

Online Help for AMA Style
- Format Guidelines from the Journal of the Academy of Nutrition
  - http://www.andjrnl.org/content/authorinfo
- AMA Style
  - http://www.amamanualofstyle.com/
  - http://library.nymc.edu/informatics/amastyle.cfm

Get it For Me (http://lib.utsa.edu/services/get-it-for-me/)
- Lots of great services all wrapped into one:
  - Interlibrary loan & document delivery
  - Transporting materials between libraries

Research Sources (http://webapp.lib.utsa.edu/Databases/)
- Library Quick Search – includes the online catalog, the Library’s website, and a bunch of databases
- Databases (locate journal articles, dissertations, etc.)
  - Academic Search Complete (general topics)
  - Health Source: Consumer Edition
  - Health Source: Nursing/Academic
  - MEDLINE
  - PubMed
  - ScienceDirect

Search Techniques
- Boolean Searching
  - AND : narrows the search by searching for records with both terms
  - OR : broadens the search by searching for records with either term
  - NOT : narrows the search by searching for records with the first term, but not the second
